

HYSTERIA - You're not alone!

You'll soon be arriving at the house of Hysteria!

Read the following info carefully! If you have bought tickets for multiple people, please pass this info on to them.

- The address for the venue is **Steniuksentie 14, 00320 Helsinki**. You can easily reach the performance space by public transportation (bus, tram, train), but please make sure to reserve enough time for the trip.
- We ask everyone entering to be **dressed fully in black**.
- The doors will open at 18.30, performance starts at 19.00. Once the performance starts the doors to the world will be closed, so make sure to arrive on time.
- The runtime of the evening is estimated around 2h 15min.
- Please wear comfortable and preferably flat shoes. The performance will happen fully indoors. There will be a cloakroom at the venue for your outerwear, but we kindly ask you to leave any bags etc. at home.
- We suggest using contact lenses instead of glasses during the evening, if that is a possibility.
- The lavatories at the venue will be accessible at 19.00 once the performance has started and the world is open.

- You will explore a complete sensory world at your own pace, experiencing scenes in a non-linear way. We recommend you to journey alone from your companions in HYSTERIA following your own instincts.

- What is an immersive show?

Will our phones be taken away?!

- **Accessibility of the venue/ Content warning:**

Unfortunately the venue is not very accessible. There are multiple floors, no elevator and some dimly lit areas. There are moving lights, strong scenes, sexual content and fake blood in the performance. The space is not accessible with a wheelchair.
